

First Annual Climate Summit

April 21, 2014

3:30 – 5:00 pm

Audience input and questions

- Determine whether there is federal money that could be used to subsidize bus passes.
- Embed information about climate change and Lane's climate commitment in curriculum across the degrees.
- Create more awareness about classes that we already have.
- How can we better engage with our community?
- How can we keep this energy going?
 - Audience answer to this question:
 - Stay involved with groups and events in the community:
 - Lane's annual Peace Symposium
 - Global Climate Convergence
 - Citizen's Climate Lobby
 - 350Eug
